Tour Suitability

Our Christmas, New Year and Northern Lights tours travel throughout the European winter months. The weather can get cold, and roads and pathways can be slippery. When outdoors, please take extra care when navigating slippery surfaces.

We recommend sturdy waterproof shoes with good grip (hiking shoes, rather than sneakers), thick socks, a woollen beanie, thermal underclothes, gloves and sunglasses. Walking poles can be helpful to give you more confidence, if desired. Layering some light clothes is advisable, as you will often come in from the picturesque cold to warm spaces inside, so layering enables you to adjust to each environment for your optimal comfort. You will also be very comfortable when travelling as your modern touring coach is fitted with heaters and double glazed windows. Once you arrive at your hotel you will be greeted with a warm and comfortable atmosphere.
